

Fellow Conservative,

As we approach the end of 2015 and prepare for the Presidential election year, I wanted to update you on the progress the Georgia Republican Foundation has made this year.

Since I was named volunteer Foundation Chairman roughly four months ago, we have hit the following milestones:

- We've grown from 8 members to **78 members**, which includes more than 30 who have given far more than the requested amount.
- Secretary of State Brian Kemp became the first statewide Constitutional officer to join us and Tom Price became the first Member of Congress to join.
- Eight state legislators have joined, including Senators Burt Jones, Jack Hill, Bill Cowser, Tyler Harper and Josh McKoon and State Reps. Regina Quick, Terry England, and John Meadows.
- Three local Republican parties – Jackson and Fulton Counties and the 9th Congressional District have joined the Foundation.
- We've hosted receptions for Foundation members with Rep. Buddy Carter, Rep. Lynn Westmoreland, Sen. David Perdue, and State House Speaker David Ralston where our members hear from elected officials in a relaxed setting that allows for conversation, and question and answer not usually possible at other GOP events.

---

House Republican delegation to discuss their views on the party, and now we can be more helpful towards each other moving forward.

In coming weeks, we'll announce a reception with Lieutenant Governor Casey Cagle to hear an insider's view of the 2016 Session of the General Assembly. We're also working on more events to help you stay engaged in the leadership of the party.

In the meantime, please help encourage your friends to join the foundation. We will be trying to host a VIP reception once a month from here on out. While we still have a lot of progress to make to prepare for the 2016 election cycle, we have made tremendous strides this fall and I can not thank all of you enough for your generous support.

As always, I welcome any questions or comments you may have for the good of our party. You can reach me through [the contact form here](#).

Sincerely,

Jack Kingston

**P.S. - If you have friends we should talk to as potential new members, please take a moment to let me know whom you recommend and how to get in touch with them – our best selling point for new members is recommendations from existing members.**
